

# Yemen Latitudes

The ruthless logic of the media of today gives us an unfair view of present day Arabia. Good news is no news. The mass media is interested in riots, border disputes and civil wars among vices and woes. The publication Yemen Latitudes looks into a region for what it is rather than how the media portrays it. The authors explore the everydayness in a country that has remained largely forgotten over time.

A project by **Rita Leppiniemi**

Authors: **Mahmoud Al-Hakimi**  
**Samer Asamir**  
**Hassan Al-Haifi**  
**Montaha Sultan Fara**  
**Yasser Al-Mayasi**
